Pickleball is the fastest-growing sport in the U.S., with 4.8 million players nationwide. A

unique blend of badminton, ping pong, and tennis, Pickleball attracts players of all ages. However, as the sport's popularity increases, so do related injuries.

HonorHealth Sports Medicine, in partnership with **USA Pickleball and Scottsdale Fashion Square**, aims to educate players on best practices, essential stretches and safety tips to ensure they can enjoy the game while minimizing the risk of injury. All proceeds from this event will directly benefit HonorHealth Sports Medicine, supporting our mission to enhance the health and well-being of our community.

At HonorHealth Sports Medicine, our team of board-certified experts is committed to providing top-tier care for athletes, recreationalists and weekend warriors of all ages. Our sports medicine physicians are highly trained to treat the whole athlete—encompassing muscles, tendons, ligaments and bones as well as cardiovascular and concussion care. Whether you're dealing with a sports injury,

illness, or a chronic condition, our specialists have the skills and experience to help you recover and return to the activities you love as quickly and safely as possible.

The new **Sports Medicine Hub at the Bob Bové Wellness Pavilion** is designed as a center of collaboration, bringing together patients, providers and employers in an innovative ecosystem that promotes healthy living while keeping healthcare costs low. This approach is at the heart of HonorHealth's mission to improve community health and well-being and reflects our vision to transform healthcare through innovation, collaboration, accountability, respect and empathy.

Your participation in this event and your generous donations will help us continue our work in providing exceptional care and keeping our community active and healthy.

The Future of Healthcare

The Bob Bové Wellness Center will be a fully integrated health and wellness facility that combines outpatient services with fitness, nutrition and other preventive health programs.

This center, which includes the state-of-the-art Sports Medicine Hub, fosters collaboration by providing comprehensive, whole-patient services to the greater community.

Patients, providers, and employers interact within an ecosystem designed to promote and maintain healthy lifestyles while keeping the cost of care low—all in pursuit of Healthy Living.
