BENEFITING HONORHEALTH FOUNDATION | GREATEST NEEDS FUND

Your Generosity Meets Healthcare Needs in Real Time

With a gift to the **Greatest Needs Fund**, you give HonorHealth the ability to direct the funds where they can do the most good: to meet the most important needs of patients and staff that otherwise may go unfulfilled. Your generosity supports both our healthcare heroes and their patients in the most meaningful way. *Every dollar has an impact!*

Your gift benefits lifesaving programs and research as well as workforce development and innovation that may not be funded without your compassion and generosity.

You can help us make a digital transformation that improves the patient experience, so they are better informed, empowered and informed— including protection that emerges from the risk of cybersecurity breaches.

And with your help, we will be able to invest in new ways to meet the healthcare needs of our community.

The list is endless!

THE NEED IS ALL AROUND US

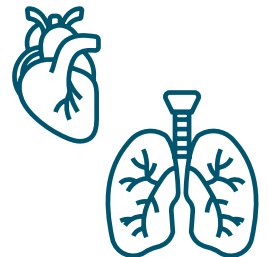

Your gift to the Greatest Needs Fund will help HonorHealth respond quickly to unanticipated situations and urgent needs. Your generosity impacts our community in the most meaningful ways, including:

28 VITAL SIGNS MONITORS were added at HonorHealth John C. Lincoln Medical Center

FIRST OF ITS KIND INNOVATION LAB was established to keep HonorHealth on the cutting edge of care

First hospital in Arizona to perform revolutionary, **MINIMALLY INVASIVE HEART AND LUNG SURGERY WITH DAVINCI ROBOTS.**

32 Through the support of donors, we have a fleet of more than **30 GERM-ZAPPING ROBOTS THAT USE HIGH-INTENSITY ULTRAVIOLET LIGHT TO DISINFECT A PATIENT ROOM** in just minutes. As a result, HonorHealth has maintained our very low incidence of hospital acquired infections.

Join us **April 25, 2025**, to support the **Greatest Needs Fund**. 100 percent of every gift directly benefits patients, families and staff. It provides hope, healing and the highest-quality care possible!
