SPECS

- Ads should be submitted as **final high-resolution PDFs**. PDF/X-1a is preferred.
- Other file formats allowed, but not preferred: **JPG, PSD, EPS, TIFF**
- **No Bleed.** Ad will be placed on page with a white border.
- Please convert **fonts to outlines**.
- Images must be a minimum of **300ppi** at effective size (final print size).
- All images, logos, graphics and type must be **CMYK only**.
All spot or RGB colors will be converted to process CMYK.
Please note that color might shift due to print color space.
