Foundation

WELCOME

HonorHealth Pro-Am

*The **HonorHealth Pro-Am** combines great play, great fun and great causes. The Pro-Am will be played at Grayhawk Golf Club on **Friday, April 16, 2021**. Your participation this year will support HonorHealth Military Partnership and HonorHealth Desert Mission.*

Schedule of Events

6:00 am - 2:00 pm
Registration and
Grayhawk Concept Shop

7:15 am - 2:00pm
Tee time starts
Shamble Format
Raptor & Talon Course
Food and Beverage available throughout play

TOURNAMENT PLAY FORMAT

The tournament play will be scheduled tee times in a Shamble format – the team will scramble to the best drive, then each player will play his/her own ball out through the hole. Each team is composed of an amateur foursome and a professional.

The field will be flighted by team handicap. All teams will be handicapped at 10% of the total handicap of the four amateur participants. All handicaps must be verified before the first ball is struck in the round. Southwest Section PGA (at SWSPGA) staff will serve as rules officials and scorers for the event. SWSPGA will also monitor pace of play to ensure an enjoyable time by all.

HONORHEALTH PRO-AM BENEFICIARY

HonorHealth Desert Mission

Making a difference and enriching the lives of our most vulnerable community members

Founded in 1927, HonorHealth Desert Mission has deep roots in the Phoenix area, improving the health and well-being of individuals and families, no matter their socioeconomic status.

Food Bank – The link between hunger and poor health is undeniable. Desert Mission is combatting hunger across the income spectrum by helping to bridge nutrition gaps that negatively affect the health and well-being of community residents and HonorHealth patients alike.

Lincoln Learning Center – All children should have access to a quality education in a safe and healthy environment. Guided by that mission, Desert Mission provides children from the ages of 6 weeks to 12 years a solid educational foundation.

Adult Day Healthcare – This program offers a reprieve from the physical and emotional tolls of caregiving. The Adult Day Healthcare program offers coordinated, professional and compassionate services for adults who need supervised care in a safe place outside the home during the day.

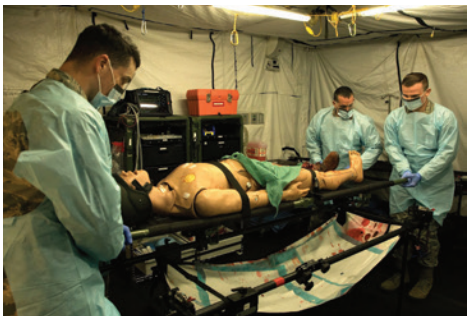
HonorHealth Military Partnership

Helping more soldiers make it home while ensuring disaster preparedness for our community

- Located on the campus of HonorHealth Osborn Medical Center, our Military Partnership program provides hands-on training–*at no charge to the military*–for surgeons, nurses, medics and other medical personnel who serve in the armed forces. More than 3,000 service members have completed the program

- The Military Partnership program ***helps to build relationships and coordinated approaches*** with government agencies, military branches, police departments and other first responders. ***One hundred percent of funds raised allow HonorHealth to regularly take part in local and national disaster drills, and strengthen community partnerships.***

- We also offer a 12-month Critical Care/Emergency Trauma Nursing Fellowship for USAF Active Duty nurses in our Emergency Department and Special Care units. At the completion, nurses emerge experienced clinicians in Critical Care and Emergency Trauma with the confidence to care for patients with life-threatening or serious medical issues.



Thank you for your participation in one of the Valley's leading charity golf tournaments. Your gifts of time and treasure help support the healthcare and social needs of our community's most vulnerable, and provide life-saving training to military medical personnel and first responders!
